AUCTION

The perfect project - clear instructions from vendor – must be sold!

Partially finished but completely desirable, these alpine-style homes are waiting for an astute investor or practical handyman to see these spectacular properties through to the end. The main structural work is all done, just leaving the savvy purchaser to create an interior to match the prestigious location and unhindered vistas. Three units available – purchase together or individually.

Auctions Wed 25th August 2010 from 6pm at the offices of hoamz, 10 Athol Street, Queenstown. Prior offers considered.
