IMPORTANT INFORMATION

This notice to vacate serves as notice that the existing Tenancy Agreement is to be terminated as soon as possible in accordance with the requirements of the Residential Tenancies Act.

In the event of a request for early termination of a fixed term agreement, the tenant must pay an advertising fee at the time of serving this notice and will remain liable for any rent due until such time as they have been notified in writing that new tenants have been secured for the property and a formal tenancy agreement is in place.

If only one of the tenants is vacating and the remaining tenants wish to stay in the property, they must contact the Property Manager immediately and state that they wish to re-apply for the property.

Under no circumstances should the remaining tenants assume they will be allowed to stay in the property. If there are any new flatmates that are not already registered against the property, they must complete an Application Form and hand this in to our office as soon as possible.

We will endeavour to gain approval from the owner for a new Tenancy Agreement, however the owner does retain the right to decline this request and commence advertising the property for new tenants.

If the property is left in a damaged or untidy condition, it is agreed the cost of rectifying same will be deducted from the bond or charged to the out-going tenant.
